

GAME CHANGERS

Game Changers is the new and exciting program in Marist Youth Ministry.

Highlighted by a strong sense of community, regular meetings, creative faith formation, and service opportunities, this dynamic program forms your students to become *faith-filled leaders and agents of change in their school community*.

ONE JOURNEY **THREE TRACKS**

Game Changers has **three tracks**, each related to the concept of following a **journey**. These tracks are grounded in the stories of **Jesus, Mary, and Marcellin**. Participating students are invited to undertake the following tracks across the **six year levels**, with the focus on each track over two years

Le Rosey

In Le Rosey (Years 7 and 8) the *Game Changers* Youth Group begins to **form their identity and sense of community**.

The group explores the foundational stories of Marcellin growing up in Le Rosey and Jesus growing up in Nazareth.

The group discerns a service project within the school community.

La Valla

In La Valla (Years 9 and 10), the *Game Changers* Youth Group discerns the concepts of **Christian leadership and Service**.

This is explored by looking at the stories of Marcellin's experience in La Valla and Jesus ministry in Capernaum.

The group identifies a service project in the wider community.

Hermitage

In Hermitage (Years 11 and 12), the *Game Changers* Youth Group discerns the concepts of **solidarity and vocation**.

This is explored by looking at the stories of Marcellin and his early Brothers at the Hermitage, and Jesus and his disciples in Jerusalem.

The group engages in a solidarity camp during this track.

OFFERINGS

Led by a mentor, the **Youth Group**, explores core topics in the Catholic faith of Marist Charism. These include **Jesus, Mary, Marcellin, Service, Leadership and Identity**. These are some of the other offerings:

MEMBERSHIP

National MYM Formators' Network

A network comprising staff and youth ministers from Marist schools involved in Marist Youth Ministry. Membership enables staff to attend the National MYM Conference, held annually, as well as receive ongoing training and formation from MYM in youth ministry skills and resources, including the Game Changers program.

Game Changers Program

Schools involved in the Game Changers program pay an annual subscription based on the number of students in the program. Subscription allows full access to all staff and student program resources, (in 2020, Years 7, 8, 10 and 11) as well as participation at the Regional Retreat Day.
